January 23, 2021

SUMMARY OF BILL: Requires, upon approval of the design and completion of the monument or statue honoring David Crockett by the State Capitol Commission (SCC), that such monument or statue be placed upon the pedestal above the entrance to the Motlow Tunnel on Dr. Martin Luther King Jr. Boulevard. Requires only private funds be used to move any existing structure for placement of such David Crockett statue.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Tennessee Code Annotated § 4-8-401 created the David Crockett Commission to erect a monument or statue honoring David Crockett on the grounds of the state capitol.
- It is assumed that a statue of David Crockett will be commissioned, developed, and constructed under current law in the absence of this legislation.
- The proposed legislation will require such monument or statue to be placed on the pedestal above the entrance to the Motlow Tunnel. That pedestal is currently empty.
- In the event that an existing structure must be moved prior to placement, such expenditures will be borne by private parties.
- Any cost to place a monument or statue of David Crockett is assumed to take place under current law; therefore, any fiscal impact is considered not significant.
